

S.A.F.E. House, Inc. is seeking highly motivated, professional, and team oriented **Emergency Services Director**. This agency is located in Henderson, NV and is committed to **Stop Abuse in the Family Environment** through safe shelter, support, counseling, advocacy, and education. The Emergency Services Director position is primarily responsible for the oversight of the 24/7 emergency shelter program, supervision of employees, and participation in agency development. Degree in Business, Social Work, or related field, or equivalent combination of management experience and education required. At least 2 years of experience overseeing and administering programs, as well as 1 year experience working with domestic violence victims required. Must have the ability to speak in public, engage with diverse individuals, take initiative, and work independently. An ideal candidate will also possess effective conflict resolution, communication, and crisis management skills. This position requires significant organizational, analytical and mathematical ability due to statistical reporting requirements. EOE. Email or fax cover letter and resume to bethf@safehousenv.org or 702-451-4302 c/o Elizabeth Dominiak by 8/7/2015.
