Violence**

Why Become a Member?

Because the domestic violence movement is a grassroots effort, informed and driven by people who care about the safety of women and children, people who care about the impact of violence. We need you to help guide and support our policies, projects, and priorities by serving on a committees and our board.

Members stay informed, and automatically receive our quarterly newsletter *Network News* which contains articles from scholars, advocates and survivors as well as legislative updates and statewide domestic violence statistics.

Members receive first notice of upcoming events and training opportunities by mail. In addition, members receive reduced rates for participation in events like our regional trainings and our *Domestic Violence Certificate of Achievement* program (an independent study program for anyone interested in a focused, comprehensive course).
