Present...

“Hanging Out or Hooking Up”

This workshop is designed to educate adults who work with teens and teen peer leaders/educators about healthy dating relationships and the prevention of relationship abuse. The goal of this workshop is to prepare participants to present this information based on educational materials provided that are appropriate for teen audiences ranging in age 14-17 and young adults 18-24.

In the afternoon, a special session is open to parents who wish to learn more about healthy relationships and how to help a teen who is struggling in an abusive relationship.
